Improving the engagement of gifted students in science through authentic science experiences

presented by Darren Hamley
Science Teacher at Willetton Senior High School

Monday 15th October 2018

5.30 pm Indian Ocean Marine Research Centre, Ground Floor Auditorium
64 Fairway, Crawley, University of Western Australia, Building 453

Free admission

To register online via Eventbrite click [here](#)

The motivation for many students, particularly those in gifted programs, is purely grades. This presentation outlines six different authentic science experiences designed to inspire high school science students to develop a passion for their work.

Darren Hamley is Winner of the RSWA Doug Clarke Medal for 2018
for Outstanding Contribution to Science Teaching at High School level
