

# Her Last Breath: Forensic aspects of the Rayney and other cases

Event organised by The Royal Society of Western Australia  
Monday, 22 June 2015 from 7:00 PM to 8:30 PM (AWST)  
Kings Park Administration Centre, Fraser Avenue, West Perth. WA.

presented by Dr Lynne Milne

---

**Lynne Milne** is a geological and forensic palynologist who has worked with Federal and State police services for almost 20 years, assisting in the resolution of a variety of criminal cases including homicide, rape, terrorism, drugs and hit and run. The Rayney case was her first for the defence. Lynne will discuss forensic aspects, and her involvement in, the Rayney and other recent cases.
