

## **The Royal Society of Western Australia and precursor societies Bibliography of Journals from 1899 to 2017**

---

- ▶ Journal and Proceedings of the Mueller Botanic Society of Western Australia (JPMBS) Vol. I, 1899 to 1903
- ▶ Journal of the West Australian Natural History Society (JWANHS) Vol. II, 1904 to 1909
- ▶ Journal of the Natural History and Science Society of Western Australia (JNHSSWA) Vols III–V, 1910 to 1914
- ▶ Journal and Proceedings of The Royal Society of Western Australia (JPRSWA) Vols. 1–10, 1914 to 1924
- ▶ Journal of The Royal Society of Western Australia (JRSWA) Vols 11–100, 1924 to 2017

compiled from:-

- Bougher A & Semeniuk V 1991. A bibliography and index to the Journal of The Royal Society of Western Australia Volumes 1–70. JRSWA 74 (Supplement), 1-35.
- Withers P C 1998. A complete bibliography and index of the Journals, 1899-1997. JRSWA 81, 15-52.
- Journal Covers from Vol 82 onwards.  
Updates by Tony Cockbain to Vol 96-1, 2013. Updates by Greg Benjamin to Vol 100-2, 2017.

Author / Name of Article / Journal
Abbott I, 1980. The transition from mainland to island, illustrated by the flora and landbird fauna of headlands, peninsulas and islands near Albany, Western Australia. JRSWA 63, 79-92.
Abbott I, 1980. The distribution and cover of plant species on Carnac Island, Western Australia. JRSWA 63, 39-45.
Abbott I, 1984. Ecological features of an outlying stand of jarrah <i>Eucalyptus marginata</i> at Jilakin Rock, Western Australia. JRSWA 66, 107-1104.
Abbott I, 2012. Original distribution of <i>Trichosurus vulpecula</i> (Marsupialia: Phalangeridae) in Western Australia, with particular reference to occurrence outside the southwest. JRSWA 95, 83-93.
Abbott I & Black R, 1978. An ecological reconnaissance of four islands in the Archipelago of the Recherche, Western Australia. JRSWA 60, 115-128.
Abbott I, Burbidge T & Wills A, 2007. <i>Austromerope poultoni</i> (Insecta, Mecoptera) in south-west Western Australia: occurrence, modeled geographical distribution, and phenology. JRSWA 90, 97-106.
Abbott I, Ross J S & Parker C A, 1985. Ecology of the large indigenous earthworm <i>Megascolex imparicystis</i> in relation to agriculture near Lancelin, Western Australia. JRSWA 68, 13-15.
Abbott I & Van Heurck P, 1988. Widespread regeneration failure of <i>Persoonia elliptica</i> (Proteaceae) in the northern jarrah forest of Western Australia. JRSWA 71, 15-22.
Abbott I & Watson J R, 1978. The soils, flora, vegetation and vertebrate fauna of Chatham Island, Western Australia. JRSWA 60, 65-70.
Abensperg-Traun M, 1992. Biomass of surface foraging ants (Formicidae) in four bushland habitats in the wheatbelt of Western Australia. JRSWA 75, 25-32.
Abensperg-Traun M, 1993. Foraging strategies and defence mechanisms of termite species (Isoptera) in the Western Australian wheatbelt. JRSWA 76, 35-40.
Abensperg-Traun M, 1998. Termites (Isoptera) in Western Australia: present and future directions of ecological research. JRSWA 81, 131-142.
Abensperg-Traun M & Perry D H, 1995. Preliminary observations on termite diversity in native <i>Banksia</i> woodland and exotic pine <i>Pinus pinaster</i> plantations. JRSWA 78, 15-17.
Abensperg-Traun M & Perry D H, 1998. Distribution and characteristics of mound-building termites (Isoptera) in Western Australia. JRSWA 81, 191-200.
Abensperg-Traun M, Wheaton G A & Eliot I G, 1990. Bioerosion, notch formation and micromorphology in the intertidal and supratidal zones of a calcareous sandstone stack. JRSWA 73, 47-55.
Abjornsson A, 1910. Notes on the spawning of the schnapper ( <i>Pagrus unicolor</i> ) at Warnbro Sound (Safety Bay). JNHSSWA III(1), 68-69.
Alexander W B, 1914. Modern investigations of problems connected with sea fisheries [title only]. JNHSSWA V, 9.
Alexander W B, 1914. Aquatic animals from Hannan's Lake, Kalgoorlie. JNHSSWA V, 47-48.
Alexander W B, 1914. The history of Zoology in Western Australia. Part 1. - Discoveries in the 17th century. JNHSSWA V, 49-64.
Alexander W B, 1915. On a stomatopod new to Australia, with a list of the Western Australian species of the order. JPRSWA 1, 8-9.
Alexander W B, 1915. Further notes on stomatopods. JPRSWA 1, 9-10.
Alexander W B, 1915. History of zoology in Western Australia. Part 2 1791-1829. JPRSWA 1, 83-149.
Alexander W B, 1915. Note on the birds met with on the Swan River by Vlamingh in 1697. JPRSWA 1, 150-151.
Alexander W B, 1916. List of orthopterous insects recorded from Western Australia. JPRSWA 2, 97-103.
Alexander W B, 1916. Description of a new species of fish of the genus <i>Evoxymetopon</i> , Poey. JPRSWA 2, 103-105.
Alexander W B, 1917. History of zoology in Western Australia. Part 3. 1829-1840. JPRSWA 3, 37-69.
Alexander W B, 1918. A new species of marsupial of the sub-family Phalangerinae. JPRSWA 4, 31-36.
Alexander W B, 1920. Notes on Western Australian lampreys. JPRSWA 6, 21-22.
Alexander W B, 1920. Aboriginal names of the animals of the Lyons River District. JPRSWA 6, 37-40.
Alexander W B, Lane-Poole C E & Herbert D A, 1920. Lists of the principal indigenous West Australian plants of economic importance and of naturalised aliens and weeds established in the State, with their vernacular names. JPRSWA 6, 41-46.
Algar D, Angus G J, Brazell R I, Gilbert C & Withnell G B, 2010. Eradication of feral cats on Faure Island, Western Australia. JRSWA 93, 133-140.
Algar D, Angus G J & Onus M L, 2011. Eradication of feral cats on Rottne Island, Western Australia. JRSWA 94, 439-443.
Allen G R, 1975. The biology and taxonomy of the cardinalfish, <i>Sphaerama orbicularis</i> (Pisces; Apogonidae). JRSWA 58, 86-92.
Allen G R, 1976. Descriptions of three new fishes from Western Australia. JRSWA 59, 24-30.
Allen G R & Hoese D F, 1980. A collection of fishes from the Jardine River, Cape York Peninsula, Australia. JRSWA 63, 53-61.
Allen G R & Kuiter R H, 1978. <i>Heniochus diphreutes</i> Jordan, a valid species of butterflyfish (Chaetodontidae) from the Indo-West Pacific. JRSWA 61, 11-18.
Allender B M, 1981. The distribution of benthic macroflora in the Swan River estuary, Western Australia. JRSWA 64, 17-22.
Allender B M & Smith G G, 1978. Thallus variation in <i>Hormophysa triquetra</i> (C Ag) Kuetz. (Fucales, Phaecophyta) in oceanic and estuarine habitats. JRSWA 60, 61-64.
Allum F E, 1916. Principles of currency. JPRSWA 2, 35-44.
Allum F E, 1918. Decimalisation of British currency. JPRSWA 4, 16-30.
Allum F E, 1922. Modern currency problems. Presidential Address. JPRSWA 8, 1-16.
Andersen A N & Burbidge A H, 1991. The ants of a vine thicket near Broome: a comparison with the northwest Kimberley. JRSWA 73, 79-82.
Andersen A N & Burbidge A H, 1992. An overview of the ant fauna of Cape Arid National Park, Western Australia. JRSWA 75, 41-46.
Andrews C R P, 1902. The Proteaceae. JPMBSWA I(10), 14-35.
Andrews C R P, 1902. Two new species of Western Australian plants. JPMBSWA I(10), 38-39.
Andrews C R P, 1902. <i>Halophila ovalis</i> Hook. F. —an addition to the flora of Western Australia. JPMBSWA I(10), 39-40.
Andrews C R P, 1902. Ferns in the Perth District. JPMBSWA I(10), 40.

**Bibliography of Journals from 1899 to 2017**

Author / Name of Article / Journal
Larcombe A 2007. Measurement of Southern Brown Bandicoot ( <i>Isodon obesulus</i> ) body temperature using internal and external telemeters. JRSWA 90, 161-163.
Lax F, Robinson W A & Garkaklis B V, 1986. Air pollution components in Perth. JRSWA 69, 19-27.
Lazarides M, 1959. A new and distinctive species of <i>Eriachne</i> R. Br. (Gramineae) from Western Australia. JRSWA 42, 33-36.
Lazarides M, 1961. Contributions to the knowledge of Western Australian Gramineae. JRSWA 44, 77-83.
Le Mesurier C R, 1939. Carminite and bindheimite from the Ashburton District. JRSWA 25, 137-140.
Le Mesurier C R, 1942. Beraunite from Dandaragan, Western Australia. JRSWA 27, 133-134.
Lenanton R C, Caputi N, Kangas M & Craine M, 2009. The ongoing influence of the Leeuwin Current on economically important fish and invertebrates off temperate Western Australia – has it changed? JRSWA 92, 111-127.
Lenanton R C, Joll L, Penn J & Jones K, 1991. The influence of the Leeuwin current on coastal fisheries of Western Australia. JRSWA 74, 101-114.
Logan B W, 1958. Clastic dykes from Watheroo, Western Australia. JRSWA 41, 27-28.
Logan B W & Chase R L, 1961. The stratigraphy of the Moora Group, Western Australia. JRSWA 44, 14-32.
Loneragan O W & Loneragan J F, 1964. Ashbed and nutrients in the growth of seedlings of karri ( <i>Eucalyptus diversicolor</i> F.v.M.). JRSWA 47, 75-80.
Long J, 1999. Gogo Fish ( <i>Mcnamaraspis kaprios</i> Long, 1995). JRSWA 82, 51.
Lord J H, 1967. The mineral resources of Western Australia and their potential. Presidential Address, 1966. JRSWA 50, 33-40.
Lord J H, 1979. History of geology in Western Australia. JRSWA 62, 3-11.
Loss R D, 1996. Isotopic studies of the Oklo fossil reactors and the feasibility of geological nuclear waste disposal. JRSWA 79, 81-83.
Love J A B, 1930. Rock paintings of the Worrorra and their mythological interpretation. JRSWA 16, 1-24.
Love J A B, 1931. An introduction to the Worrorra language Part I. JRSWA 17, 53-70.
Love J A B, 1932. An introduction to the Worrorra language. Part II. JRSWA 18, 13-22.
Lowe T J, Wheeler S H & Twigg L E, 2003. Impact of rabbits on native bush remnants. JRSWA 86, 97-105.
Lowry J W J, 1972. The taxonomic status of small fossil thylacines ( <i>Marsupialia</i> , <i>Thylacinidae</i> ) from Western Australia. JRSWA 55, 19-30.
Ludbrook N H, 1958. The stratigraphic sequence in the western portion of the Eucla Basin. JRSWA 41, 108-114.
Lundelius E L, 1963. Vertebrate remains from the Nullarbor Caves, Western Australia. JRSWA 46, 75-80.
Lundelius E L, 1964. Notes on the skulls of two Western Australian rodents with a key to the skulls of the rodents of southwestern Australia. JRSWA 47, 65-71.
Lynch D, 1991. A new reference section for the Toolonga Calcilutite, Carnarvon Basin, Western Australia. JRSWA 73, 101-112.
Lyons T J, Pitts R O, Blockley J A, Kenworthy J R & Newman P W G, 1990. Motor vehicle emission inventory for the Perth airshed. JRSWA 72, 67-74.
Mack C L, 2013. Palynology of the southern Gunbarrel Basin. JRSWA 96, 21-22.
Maddern M G, 2008. Distribution and spread of the introduced One-spot Livebearer <i>Phallocherus caudimaculatus</i> (Pisces: Poeciliidae) in southwestern Australia. JRSWA 91, 229-235.
Maddern M G, Morgan D L & Gill H S, 2007. Distribution, diet and potential ecological impacts of the introduced Mozambique mouthbrooder <i>Oreochromis mossambicus</i> Peters (Pisces: Cichlidae) in Western Australia. JRSWA 90, 203-214.
Mahoney J A, 1965. The identity of <i>Mus burtoni</i> Ramsay, 1887 (Rodentia, Muridae, Melomys) from the neighbourhood of Derby, Western Australia. JRSWA 48, 91-96.
Maiden J H, 1909. Records of West Australian Botanists. Part I - Western Australian botanists. JWANHS II(6), 5-27.
Maiden J H, 1909. Records of West Australian Botanists. II - Australian botanists who have dealt with the flora of Western Australia. JWANHS II(6), 28-33.
Maiden J H, 1910. On two new Western Australian species of <i>Eucalyptus</i> . JNHSSWA III(1), 42-46.
Maiden J H, 1911. Notes on Western Australian eucalypts, including description of new species. JNHSSWA III(2), 165-190.
Maiden J H & Blakely W F, 1927 Descriptions of fifty new species and six varieties of western and northern Australian acacias, and notes on four other species. JRSWA 13, 1-36.
Main A R, 1959. Rottnest Island as a location for biological studies. JRSWA 42, 66-67.
Main A R, 1961. <i>Crinia insignifera</i> Moore (Anura: Leptodactylidae) on Rottnest Island. JRSWA 44, 10-13.
Main A R, 1961. The occurrence of <i>Macropodidae</i> on islands and its climatic and ecological implications. JRSWA 44, 84-89.
Main A R, 1965. The inheritance of dorsal pattern in <i>Crinia</i> species (Anura Leptodactylidae). JRSWA 48, 60-65.
Main A R, 1965. Further studies on the polymorphic species <i>Crinia insignifera</i> Moore (Anura: Leptodactylidae) on Rottnest Island. JRSWA 48, 122-127.
Main A R, 1981. Ecosystem theory and management. JRSWA 64, 1-4.
Main A R, 1983. <i>Macropod</i> ecophysiology: a possible integration with ecological and evolutionary studies. JRSWA 66, 5-9.
Main A R, 1996. Forests reservations: an overview. JRSWA 79, 301-304.
Main A R, 1995. The Royal Society of Western Australia Medallist Lecture, 1995 The study of nature—a seamless tapestry. JRSWA 78, 91-98.
Main A R, 1997. Management of granite outcrops. JRSWA 80, 185-188.
Main A R, 2000. Management of granite outcrops. JRSWA 83, 197-199.
Main B Y, 1960. The genus <i>Cethegus</i> Thorell (Mygalomorphae: Macrothelinae). JRSWA 43, 30-34.
Main B Y, 1969. A blind mygalomorph spider from a Nullarbor Plain cave. JRSWA 52, 9-11.

**The Royal Society of Western Australia and precursor societies**  
**Bibliography of Journals from 1899 to 2017**

Author / Name of Article / Journal
Main B Y, 1971. The common “colonial” spider <i>Ixeuticus candidus</i> and its synonyms (Dictynidae: Araneae). JRSWA 54, 119-125.
Main B Y, 1972. The mygalomorph spider genus <i>Stanwellia</i> (Dipluridae) and its relationship to <i>Aname</i> Koch and certain other diplurine genera. JRSWA 55, 100-114.
Main B Y, 1982. Notes on the revised taxonomic position of the Black Wishbone spider <i>Dekana diversicolor</i> (Mygalomorphae: Dipluridae). JRSWA 65, 25-29.
Main B Y, 1993. Biogeographic significance of the Nullabor cave mygalomorph spider <i>Troglodiplura</i> and its taxonomic affinities. JRSWA 76, 77-85.
Main B Y, 1994. Biosystematics of Australian mygalomorph spiders: description of a new species of <i>Aname</i> and its aerial tube (Araneae: Nemesiidae). JRSWA 77, 65-69.
Main B Y, 1996. Terrestrial invertebrates in south-west forests: the role of relict species and habitats in reserve design. JRSWA 79, 277-280.
Main B Y, 1997. Granite outcrops: a collective ecosystem. JRSWA 80, 113-122.
Main B Y, 2000. Biosystematics of two new species of unusually coloured Australian mygalomorph spiders, <i>Arbanitis</i> (Araneae: Idiopidae), from south-western Australia. JRSWA 83, 93-97.
Main B Y, 2000. Habitat template for invertebrates on granite outcrops. JRSWA 83, 139-147.
Maitland A G, 1905. The salient geological features of British New Guinea. (Papua) JWANHS II(2), 32-56.
Maitland A G, 1911. The origin, history, and work of the Geological Survey of Western Australia. JNHSSWA III(2), 110-129.
Maitland A G, 1912. Relics of the Permo-Carboniferous ice age in Western Australia. Presidential Address. JNHSSWA IV, 12-29.
Maitland A G, 1914. The Cretaceous fossils of the Gin-Gin chalk and their geological relationships [title only]. JNHSSWA V, 20.
Maitland A G, 1914. The foundation stones of Western Australia: an early chapter in the geological history of the State [title only]. JNHSSWA V, 108.
Maitland A G, 1916. Some problems of Western Australian geology. Presidential Address. JPRSWA 2, 1-34.
Maitland, A G, 1920. Note on Mr. E. de C. Clarke’s Paper. JPRSWA 6, 27-29.
Maitland A G, 1926. Western Australia’s contribution to earth history. Presidential Address. JRSWA 12, 211-232.
Maitland A G, 1927. The volcanic history of Western Australia. Presidential Address. JRSWA 13, 79-86.
Maitland A G, 1940. The Donnybrook Sandstone Formation and its associates. Their relationships and place in the stratigraphical sequence. JRSWA 25, 177-196.
Majer J D, 1989. Terrestrial invertebrate fauna. JRSWA 71, 95-96.
Majer J D & Brown K R, 1986. The effects of urbanization on the ant fauna of the Swan Coastal Plain near Perth, Western Australia. JRSWA 69, 13-17.
Majer J D, Cocquyt R D & Recher H F, 2004. Powdery bark in <i>Eucalyptus accedens</i> deters arthropods? An evaluation using ants. JRSWA 87, 81-83.
Majer J W & Koch L E, 1982. Seasonal activity of hexapods in woodland and forest leaf litter in the south-west of Western Australia. JRSWA 65, 37-45.
Malcolm C V, 1964. Effect of salt, temperature and seed scarification on germination of two varieties of <i>Arthrocnemum halocnemoides</i> . JRSWA 47, 72-75.
Marchant N G, 1973. Species diversity in southwestern flora. JRSWA 56, 23-30.
Mares M A, 1997. The geobiological interface: granitic outcrops as a selective force in mammalian evolution. JRSWA 80, 131-139.
Marsh D R C, 1979. Science and the arts. JRSWA 61, 103-104.
Marshall G E & Watson E M, 1935. The essential oils of Western Australian eucalypts. Part II The oils of <i>E. kesselli</i> and <i>E. dundasi</i> . JRSWA 21, 107-112.
Marshall G E & Watson E M, 1937. The essential oils of the Western Australian eucalypts. Part IV The oils of <i>E. oleosa</i> , <i>E. eremophila</i> , <i>E. leptopoda</i> . JRSWA 23, 1-6.
Marshall G E & Watson E M, 1938. The essential oils of the Western Australian eucalypts. Part V The oils of <i>E. astringens</i> and <i>E. pyriformis</i> . JRSWA 24, 65-68.
Marshall G E & Watson E M, 1940. The essential oils of the Western Australian eucalypts. Part VI The oil of <i>Eucalyptus concinna</i> . JRSWA 26, 15-16.
Mason B, 1986. Australites from the Kimberley Region, Western Australia. JRSWA 69, 5-6.
Masselink G, 1996. Sea breeze activity and its effects on coastal processes near Perth, Western Australia. JRSWA 79, 199-205.
Mathews D, Semeniyuk V & Semeniyuk C A, 2011. Freshwater seepage along the coast of the western Dampier Peninsula, Kimberley region, Western Australia. JRSWA 94, 207-212.
Mathews G, 1942. New forms of Australian birds. JRSWA 27, 77-78.
Mathews W H, 1930. Contributions to the fauna of Rottnest Island. No. VI Notes on the Odonata and Neuroptera. JRSWA 16, 41-44.
Mattiske L, 1994. Session 3: Impact on industry. JRSWA 77, 105.
Mawson P R, 2000. Conservation of native fauna inhabiting granite outcrops—how do you manage it? JRSWA 83, 163-167.
Mawson P R & Coughran D K, 1999. Records of sick, injured and dead pinnipeds in Western Australia, 1980-1996. JRSWA 82, 121-128.
Mawson P R & Orell P, 2002. Operational fauna databases within the Department of Conservation and Land Management: tools for managing rare and threatened species. JRSWA 85, 139-141.
McArthur W M, 1956. Plant ecology of the coastal islands near Fremantle, WA. JRSWA 40, 46-64.
McCall G J H, 1966. The Frenchman Bay meteorite. JRSWA 49, 45-51.
McCall G J H, 1966. The Dalgety Downs chondritic meteorite. JRSWA 49, 52-58.
McCall G J H, 1969. The Archaean succession to the west of Lake Lefroy. JRSWA 52, 119-128.
McCall G J H, 2000. Tektites—the age paradox controversy revisited. JRSWA 83, 83-92.
McCall G J H, Braybrooke J C & Middleton D D, 1970. The Merougul Creek sub-area. JRSWA 53, 9-32.
McCall G J H & Cleverly W H, 1970. A review of the meteorite finds on the Nullarbor Plain, Western Australia, including a description of thirteen new finds of stony meteorites. JRSWA 53, 69-80.
