Journal of the Royal Society of Western Australia

CONTENTS Volume 97

PART 1, JUNE 2014

Preface	iii
History and roles of the Royal Society of Western Australia A W R Bevan	1
Maritime archaeology in Western Australia J N Green	13
Vegetation survey in Western Australia N Gibson	25
Progress and prospects for understanding evolution and diversity in the Southwest Australian flora K R Thiele & S M Prober	35
<i>Phytophthora cinnamomi</i> in Western Australia P A O'Brien & G E St J Hardy	47
Arachnida (Arthropoda: Chelicerata) of Western Australia: overview and prospects M S Harvey	57
Relicts, reproduction and reintroductions—a century of marsupial research in Western Australia N M Warburton	65
Chemical fingerprinting of gold using laser ablation–inductively coupled plasma–mass spectrometry (LA-ICP-MS) R J Watling, C J Scadding & C D May	87
Geochronology of the Archean of Western Australia: a historical perspective R T Pidgeon & M T D Wingate	97
Early Paleozoic colonisation of the land: evidence from the Tumblagooda Sandstone, Southern Carnarvon Basin, Western Australia K J McNamara	111
Devonian vertebrates from the Canning and Carnarvon Basins with an overview of Paleozoic vertebrates of Western Australia K Trinajstić, B Roelofs, C J Burrow, J A Long & S Turner	133
Devonian Great Barrier Reef of the Canning Basin, Western Australia: the evolution of our understanding P E Playford, R M Hocking & A E Cockbain	153
Recent mega-tsunamis in the Shark Bay, Pilbara, and Kimberley areas of Western Australia P E Playford	173
Stromatolite research in the Shark Bay World Heritage Area L B Collins & R J Jahmert	189
Drought and flooding rains: Western Australian water resources at the start of the 21st Century D P Commander	221
Some Australian contributions to meteoritics from the 19th to the 21st Centuries A W R Bevan	227

Advances in mathematics and statistics in Western Australia since 1960 A P Bassom, J Hopwood, J L Noakes, A G Pakes & C E Praeger	253
Editor's Note	261

PART 2, DECEMBER 2014

Preface	iii
An overview of the 'freshwater fishes' of Western Australia D L Morgan, P J Unmack, S J Beatty, B C Ebner, M G Allen, J J Keleher, J A Donaldson & J Murphy	263
An Australian science communication case study based on recovery of the endangered fish red-finned blue-eye, <i>Scaturiginichthys vermeilipinnis</i> A Kerezszy	279
Emergence of field-based underwater video for understanding the ecology of freshwater fishes and crustaceans in Australia B C Ebner, D Starrs, D L Morgan, C J Fulton, J A Donaldson, J S Doody, S Cousins, M Kennard, G Butler, Z Tonkin, S Beatty, B Broadhurst, R Clear, M Lintermans & C S Fletcher	287
The critically endangered hairy marron, <i>Cherax tenuimanus</i> Smith, 1912: A review of current knowledge and actions required to prevent extinction of a species R Duffy, J Ledger, J Dias & M Snow	297
Long live the King River Perchlet (<i>Nannatherina balstoni</i>) D L Morgan, S J Beatty, M G Allen, J J Keleher & G I Moore	307
Enhancing fish passage over large on-stream farm dams in south-western Australia: a case study S J Beatty, K Seewraj, M G Allen & J J Keleher	313
Native and non-native fishes in wetlands of the Swan Coastal Plain, Western Australia M Hourston, J M Ledger, P E Vercoe & C S Lawrence	331
Ecological response of an estuarine atherinid to secondary salinisation in south-western Australia M Rashnavadi, A J Lymbery, S J Beatty & D L Morgan	343
Prediction of potentially significant fish harvest using metrics of accessibility in northern Western Australia P G Close, R J Dobbs, T J Ryan, K Ryan, P C Speldewinde & S Toussaint	355
Predator and prey interactions of fishes of a tropical Western Australia river revealed by dietary and stable isotope analyses D C Thorburn, H S Gill & D L Morgan	363
The Functional Habitat Concept does apply to fish assemblages of the regulated Lower Ord River, Western Australia A W Storey & S Creagh	389
Obituary – Jonathan Charles Murphy	409
